Bull Realty Adds to Retail Group to their Atlanta Office

Kent Tagge
V.P. The Retail Group

ATLANTA, GA- Bull Realty welcomes commercial real estate broker Kent Tagge. Kent specializes in assisting clients with the acquisition and disposition of retail investment properties. He strategically leverages Bull Realty’s extensive buyer databases, market research and cutting-edge marketing tools to deliver exceptional client services.

Before transitioning to real estate, Kent successfully owned and operated an Automotive and Marine Detailing Business in the North Atlanta area. His unwavering commitment to quality and service earned him a stellar reputation, with his business driven by satisfied client referrals. This same dedication to excellence continues to define his approach in commercial real estate sales, where he is resolute in providing top-tier service.

“Joining Bull is an exciting career opportunity. I wanted to work alongside a brokerage that shared the same enthusiasm about quality service and client satisfaction that I had prided my prior business on. I’m fortunate to have such an ambitious team around me that truly cares about their products and services they offer to their clients,” said Tagge.

Kent holds a degree in Business Administration from High Point University.

Bull Realty’s Retail Group provides client-oriented disposition and acquisition services for retail property investments in the Southeast U.S. Additionally, our advisors provide tenant representation, site selection, project leasing and asset management in and around metro Atlanta.

###

About Bull Realty:

Bull Realty, Inc. (www.BullRealty.com) founded in 1998 is a commercial real estate brokerage firm licensed in eight southeast states headquartered in Atlanta providing acquisition, disposition, project leasing, site selection and tenant rep services. The firm also produces the nation's leading show on commercial real estate topics, America's Commercial Real Estate Show (www.CREshow.com). The weekly show hosted by Michael Bull, CCIM since 2010, provides market intel, forecasts and strategies for investors and occupants.
