Bull Realty Brokers \$5.8 Million Medical Portfolio in Atlanta MSA

ATLANTA (December 28, 2017) —Paul Zeman, President of Healthcare Real Estate Services at Bull Realty, brokered the sale of a portfolio comprised of two medical office buildings located in the Atlanta MSA. The sale closed on December 19th for \$5,825,000.

The properties, which together total approximately 17,000 SF, are both occupied by Emory Healthcare.

“This portfolio represents a model of health systems away from the hospital campus. By reaching out into the suburbs, Emory is providing an incredible value to the community. In this case, they provide Primary Care and Outpatient Diagnostic Imaging services,” said Zeman.

Paul Zeman was chosen to market the property exclusively by the seller. The buyer was Med Management, LLC.
